SUZOHAPP appoints Evrim Özsoy as Vice President of Retail Sales, EMA Components

Oud-Beijerland, The Netherlands - SUZOHAPP is pleased to announce the appointment of Evrim Özsoy as Vice President of Retail Sales for its EMA Components Division.

Evrin brings with her a 13-year track record of success in leadership and sales. Before joining SUZOHAPP, Evrim led teams and delivered outstanding results as Country Sales Manager at Diebold and as Account Manager at NCR. Her extensive experience, coupled with her degree in Electronic Engineering, gives her a significant amount of in-depth knowledge of the industry.

At SUZOHAPP, her primary role will be to grow the Retail business for the EMA Components Division by defining strategy and leading the sales team to achieve its goals. Evrim will report to Wilbert Bieleman, President and Managing Director of SUZOHAPP's EMA Components Division.

"We are very pleased to welcome Evrim to the SUZOHAPP team. With her strong leadership and extensive experience, Evrim is a valuable addition to our team and will play a central role in the strategic growth of our Retail business," stated Wilbert Bieleman.

Evrin commented, "I am excited to take on this exciting and challenging new role. I look forward to being part of such a dedicated team and contributing to the company's growth and success."

Evrin Özsoy succeeds Eric La Franca who formerly filled this role. "We thank Eric for the significant contribution he made to the development of our Retail market. With Eric handing over his responsibilities and tasks to Evrim, we are confident in a smooth transition of the role," concluded Mr. Bieleman.

About SUZOHAPP

SUZOHAPP is a technology company providing software and hardware for cash handling automation and self-service solutions to more than 25,000 customers throughout the world. SUZOHAPP's technology enables automation for customers operating in a variety of end markets, including retail, transportation, gaming, banking, vending and amusement.
