## SUZOHAPP is Gold Sponsor of EVEX in Rome

The European vending industry will meet in Rome, Italy at EVEX 2017 on the 23<sup>rd</sup> and 24<sup>th</sup> of November for two days of educational conferences, networking, exciting cultural activities and a commercial exhibition. This year's EVEX will take place at the Radisson Blu Hotel in the heart of Rome and will be organized by the EVA (European Vending Association) in collaboration with Confida (Italian Vending Association).

The Italian market is a driving force for the European vending industry with a high volume of major manufacturers and operators. EVEX will be the ideal opportunity for them to network and exchange information, contacts and experience.

We are the ideal partner to meet all the payment management needs of operators and manufacturers."

"It is all about providing the right solution for the right application," added Luca Rossato, Sales Manager. "We always advise our customers how to make the best use of our products, while also providing technical training and maintenance / service. We are committed to supporting the vending industry and helping operators in their day-to-day business."

At EVEX, SUZOHAPP will display its best-in-class solutions for cash handling, the Currenza C<sup>2</sup> coin recycler and the Comestero RM5 coin validator. For cashless payment, the WorldKey range and the P6 payment terminals will be showcased.
