## SUZOHAPP to highlight its latest innovations at the Irish Gaming Show

The SUZOHAPP team is looking forward to welcoming visitors at the Irish Gaming Show that will take place between the 6<sup>th</sup> and 7<sup>th</sup> of March in Dublin. SUZOHAPP will be exhibiting at booth #27 to showcase its industry-leading range of amusement machine components and cash handling systems, which meets all expectations of both manufacturers and operators.

For cash handling solutions, the brand new SCAN COIN ICX Active-9 will be taking center stage in the SUZOHAPP stand. This innovative coin sorter can sort up to 9 different coin types / tokens at a rate of up to 2,700 per minute. SUZOHAPP will also show a selection of SCAN COIN back-office solutions for coin and bank note sorting/counting, such as the SC-303 and the SC-8220. As the expert in money changing technology, SUZOHAPP will present the Comestero Dual Coin PRO and Easy PRO, the best-selling change machines in the industry.

During the Irish show, visitors will have the opportunity to hear about how they can offer coin acceptance on their amusement machines thanks to the Comestero RM5 Evolution and RM5 HD electronic coin validators. SUZOHAPP is also the expert for coin pay-out devices and visitors will appreciate the advantages of a variety of hoppers.

A rich assortment of pure Amusement solutions will be also displayed, such as the BilliardPRO and CompetitionPRO product lines. Finally, visitors will have the opportunity to see the Carrillo and Bonetti chairs.

John Vallis, Vice President Gaming & Amusement EMEA, commented, “We are excited to exhibit again at the Irish Gaming show. This event is always the perfect opportunity to keep up to date, see what’s new and find out what is happening in the Irish Amusement industry. Please join our experts at booth 27 to see a live demonstration of our latest innovations!”
