

SUZOHAPP will display its complete portfolio of Gaming and Sports Betting Components and Solutions at ICE 2019

OUD-BEIJERLAND, THE NETHERLANDS January 29, 2019 - SUZOHAPP – a leading technology company with over 50,000 products for casino operators and gaming OEMs - will be exhibiting at the ICE in London from February 5-7. This year, SUZOHAPP has a new booth position (**#N3-130**), providing more room to display its increased product offerings of components and solutions for Gaming, Amusement, Sports Betting, Lottery and Bingo.

“We are excited to be participating at ICE again,” says Goran Sovilj, SUZOHAPP’s Executive Vice President of Gaming & Amusement in Europe. “ ‘Simplify your sourcing’ is the message we want to communicate this year. We are proud to provide the world’s largest offering in the gaming and amusement industry - just about anything you need, we can source it.”

SUZOHAPP’s booth will feature three main themes to help visitors find the perfect solutions for their specific needs: OEM casino components, sports betting components and cash handling solutions for large-scale, back office operations. A full range of key products for OEMs and casino operators will be on display, including:

- SUZOHAPP’s latest VisionPro™ Edge-Lit LED touch and non-touch monitors, and Elo Touch open frame monitors
- Nanoptix printers, including the new PayCheck Terminal XL
- Newland barcode scanners
- Locks, including the new Giussani E-PRL reprogrammable electronic lock
- Toppers, pushbuttons and LCD button decks, including the new DPS (Dynamic Panel Systems)
- Coin and bill validators and recyclers
- Hoppers
- Change machines
- A rich selection of cabinet parts (speakers, power supplies, USB chargers, and more)

“We are a complete source for OEMs and operators. We can provide every single component that fits into slot or sports betting machines,” said Mike Sigona, SUZOHAPP’s Global Gaming Product Manager and Business Development Manager in Europe. “Manufacturers don’t need to spend time dealing with lots of different suppliers. In a single meeting with our team, they get the latest expert advice on all the components and peripherals they need - simplifying their sourcing and saving time and money.”

Additionally, SUZOHAPP offers an extensive range of cash handling products for the casino cashier. SUZOHAPP will model a cashier’s cage demonstration at its booth and present a broad array of cash management solutions coupled with the advanced CashComplete™ Connect monitoring software. As major highlights, the SCAN COIN ICX Active-9 coin sorter and the CashComplete™ SDS-35 Smart Deposit Solution will be showcased.

“We invite everyone to come and see us at ICE,” says Mr. Sovilj. “Visit us at our booth and discover how we can effectively create real value in your business.”

About SUZOHAPP

SUZOHAPP is a technology company providing software and hardware for cash handling automation and self-service solutions to more than 25,000 customers throughout the world.
