

## SUZOHAPP Participates at the Feria Internacional del Juego as Complete Source for Gaming Components and Solutions

OUDE-BEIJERLAND, THE NETHERLANDS April 2, 2019 – SUZOHAPP – a leading technology company with over 50,000 products for casino operators and gaming OEMs - will be exhibiting at the Feria Internacional del Juego that will take place in Madrid between 9-10 April.

SUZOHAPP will be present at Booth #C18 in Hall 3 and will be showcasing a complete offering of components and solutions for Gaming, Amusement, Sports Betting, Lottery and Bingo. This includes coin and bill validators, LCD monitors, locks, pushbuttons, printers, scanners and more.

SUZOHAPP will be supported by Automated Gaming which is the new SUZOHAPP sales representative and service centre for the Spanish gaming market. "We are excited to be with SUZOHAPP at this year's Feria Internacional del Juego. We will display a portfolio of unique components and solutions that meets the demands of various gaming market segments," commented Genís Catà, CEO of Automated Gaming.

"We are pleased that Automated Gaming will now be supporting us in Spain," said Goran Sovilj, SUZOHAPP's Executive Vice President of Gaming & Amusement in Europe. "They are a team of highly skilled professionals with years of experience and expertise. We see great opportunities in our partnership."

A full range of key products for gaming and amusement machines and sports betting terminals will be showcased, including:

- SUZOHAPP's latest VisionPro™ Edge-Lit LED touch and non-touch monitors, and Elo Touch open frame monitors
- Nanoptix printers, including the new PayCheck Terminal XL
- Newland barcode scanners
- Locks, including the new Giussani E-PRL reprogrammable electronic lock
- Toppers, pushbuttons and LCD button decks, including the new DPS (Dynamic Panel Systems)
- Coin and bill validators, and hoppers
- A rich selection of cabinet parts (speakers, power supplies, USB chargers, and more)

Additionally, SUZOHAPP offers an extensive range of cash handling products for the casino cashier. As major highlights, the SCAN COIN ICX Active-9 coin sorter and the CashComplete™ SDS-35 Smart Deposit Solution will be showcased, coupled with the advanced CashComplete™ Connect monitoring software.

Mike Sigona, SUZOHAPP's Global Gaming Product Manager and Business Development Manager in Europe, stated "Simplify your sourcing with us! Discover all advantages of relying on a single supplier with an extremely broad product range, local resources and global capability. It saves time, money and energy when working with SUZOHAPP."

"We offer a complete package of all key components to OEMs. Our customers know they can rely on us to support them with integration, just in time delivery, quick spare parts availability and service," concluded Mr. Sovilj. "If you are in search of the latest innovations and technologies for improving your gaming business, or just looking for the latest trends – please visit us in Madrid."
