

## **External Announcement**

### **Todd Sims joins SUZOHAPP's Gaming & Amusement team as Vice President of Sales for North & South America**

LAS VEGAS, NEVADA, August 29, 2019 - SUZOHAPP is pleased to announce the appointment of Todd Sims to the position of Vice President of Sales, Gaming & Amusement for North and South America, effective June 10, 2019.

Mr. Sims brings with him over 20 years of sales and operations experience, 15 of those years in Gaming and other technology-based industries. Most recently, Mr. Sims served as the Vice President of Sales for the Western USA at INTERBLOCK, a leading developer and supplier of luxury electronic table gaming products. He has also held positions at Four Winds Interactive and Bally Technologies.

"I've admired SUZOHAPP from afar since 2004 and have always been impressed by the scope of their Gaming & Amusement product lines," said Sims. "There is such clear value to the customer – simplified sourcing, global reach with local support. I'm proud to be part of a company that offers so much to the market."

Charged with growing Gaming & Amusement revenue across the Americas, Sims will focus on developing and expanding his team with an eye toward delivering best-in-class customer communication and service. He will also work to leverage SUZOHAPP's robust engineering capability to develop strong customer partnerships that drive innovation and create value for all involved.

"We are pleased to welcome Todd to the SUZOHAPP team," said Sim Bielak, President of Global Gaming & Amusement. "In addition to his record of achievement, he brings great energy and a commitment to see those around him succeed. I look forward to the value he'll bring to SUZOHAPP, but more importantly, the value he'll bring to our customers."

#### About SUZOHAPP

SUZOHAPP is a technology company providing software and hardware for cash handling automation and self-service solutions to more than 25,000 customers throughout the world. SUZOHAPP's technology enables automation for customers operating in a variety of end markets, including retail, transportation, gaming, banking, vending and amusement.
