

SUZOHAPP to Participate at FIJMA Madrid

Madrid, Spain, March 7, 2022 — SUZOHAPP will be exhibiting at the Feria Internacional del Juego (FIJMA) that will take place in Madrid, Spain between 15-17 March.

At this year's show, SUZOHAPP will be presenting its new products: the Dual Change Cashless, a new contactless change machine, the BluMax™, a PC platform ideal for sport betting terminals, the AGE300 ID card reader and the Custom Kube II Lottery and Modus 3 printing solutions.

Also, SUZOHAPP will be showcasing the highlights from its offering including individual components as well as complete solutions for OEMs and operators. This includes coin and bill validators, monitors, locks, pushbuttons, printers, scanners and more as well as an extensive range of coin and note counters and sorters for the casino cashier.

“As a primary supplier to casinos, operators, and OEMs, we aim to be a single source for our customers when it comes to their hardware needs whether that be in complete solutions, or peripheral components and replacement parts”, commented Piero Martellotta, Regional Director for Spain. “Looking forward to seeing you at FIJMA22! We are very excited about meeting everyone in person. It will be great catching up again with friends and customers from across the industry.”

SUZOHAPP and its Spanish partners, Automated Gaming and Carrión Coin Systems, are ready to welcome you at booth F1.
