

## SUZOHAPP to Exhibit at EAG Online 2021

### *Supporting the Industry in Difficult Times*

LONDON, UNITED KINGDOM, April 12, 2021 – SUZOHAPP will be exhibiting virtually at the upcoming online EAG International Expo that will take place from April 20-21. This will be the first amusement tradeshow that SUZOHAPP has participated in with a virtual booth.

Although a new tradeshow medium, SUZOHAPP believes that the virtual show is essential to show the continuity of the industry. “Given the difficulties we all faced over the past year, it is important for us to come together in support of Bacta and of our industry to showcase and exchange ideas on how we can innovate and succeed in these changing times. Shows like these unify us and keep us moving forward,” says Tim Kennedy, SUZOHAPP’s Vice President of Sales for Europe. “At SUZOHAPP, we focus on simplifying the sourcing of our customers and exhibiting virtually at EAG is a critical part of delivering on that promise.”

SUZOHAPP will be showcasing a wide array of amusement products including both customer favorites and new offerings. Products such as redemption tickets and tokens, change machines, note/coin counters, and coin cup will be highlighted in particular. The Billiard product line will be featured with its hundreds of products from cues to cloth to lighting. SUZOHAPP will also showcase its broad range of products for amusement game builders, such as coin and banknote validators, printers, hoppers, monitors, displays, and push buttons, just to name a few.

“We are excited to share highlights of the expansive variety of the SUZOHAPP offering virtually at EAG Online 2021,” said Tim Kennedy. “With our vast product range, deep expertise and decades of experience serving this industry, we have the solutions that can meet each customer’s unique needs.”
