

SuzoHapp boosts Asia team

ALLEN Ko is the new vice president OEM cash handling, for the Asia Pacific region, it has been announced by SuzoHapp.

Ko has many years' experience in the cash processing business, having worked for De La Rue, Talaris and Glory in a variety of roles and has been in direct sales for the past 13 years. He commented that "opportunities abound" in his region with new markets opening "especially China."

He joins a new team that was recently enhanced with the appointments of Jessica Zhang as head of OEM sales and Raymond Lei as OEM pre-sales manager.
